

Dear All

Second Saturday of the month is Open Day at the Repository (or suppose I say Suppository) at Castle Hill where there are lots of secret men's business stuff (and girls' stuff as well).

Great place – you'll kick yourself if you miss out. Don't tell the grandchildren – they'll all want to go.

Meet me at the usual place at St Ives 9:00 am.

We'll make it a fun ride to Castle Hill, around some pretty roads.

I would like to be at the place by 10:15 am as there are some interesting **Behind-the Scenes Tours** starting at 10:30 am

10:30 am **Car Collection (60 min)** explore the hidden treasures in Powerhouse's Car Collection
(**You will need to pre-book as limited numbers. Phone: 9762 1300 or <http://castlehill.powerhousemuseum.com/events>)**

12:30 pm **Australian Icons (60 min)** Iconic and unique objects from Museum's collection.

But wait there's more:

10:30 – 12:00 Indigenous Art demo- **Traditional poker work** –free

11:00 am Object short talk – **Trap Chat – mousetrap making machine.**

11:30 am Illustrated lecture - **Conserving Mawson's Huts** - free

Outdoor Car Display 10:00am – 2:30 pm – EJ and EH Holden Owners and Drivers Club of NSW
